## 3<sup>rd</sup> International Seminar and Training Course – Brussels, March 2012

### Invitation

Dear interested participants,

*the EuBIS Project, initiated under the Public Health Programme of the European Commission, Directorate General SANCO, has developed manuals containing standards and guidelines for quality management and the inspection of blood establishments. Based on the EuBIS manuals the EuBIS Academy has organised training seminars and courses in order to promote knowledge in the area of quality and safety of blood and blood components throughout Europe.*

*Following the 1<sup>st</sup> International seminar during the ISBT congress in Berlin, Germany and the 2<sup>nd</sup> International Seminar and Training Course organised in cooperation with the Centro Nazionale Sangue (CNS) in Rome, Italy, we have received pre-registrations from several institutions interested in participating training in quality management and regulatory inspections of blood establishments.*

*The 3<sup>rd</sup> EuBIS International Seminar and Training Course is organised by the EuBIS Academy in cooperation with the Belgian Red Cross-Flanders (Rode Kruis-Vlaanderen) and will be a further milestone in the objectives of EuBIS to give assistance in promoting its the mission 'from good to best practice'.*

*On behalf of all EuBIS Project participants, Collaborating partners and the Academy trainers, we would be happy to welcome all of you to Brussels, Belgium and hope that we will have an exciting training including fruitful discussions and extensive exchange of ideas.*

*Prof. Dr. Christian Seidl*  
EuBIS Academy Coordinator

*Jan Ceulemans*  
EuBIS Academy Organiser

*Prof. Dr. Philippe Vandekerckhove*
